Chancellor Weekly Brief 6.29.2021

Dr. James Malm

NMACC .

Greetings to you during this final week of June and as we welcome the much-anticipated seasonal monsoons to our Four Corners region. While campus remains quiet during the summer months, there is ongoing preparation among our faculty and staff behind the scenes to ensure a safe return to campus fall. We eagerly anticipate our students' return to the classrooms and labs in August, and I encourage all students to register for the fall semester at your earliest convenience.
