FPDC Data Collection Instrument

The purpose of this form is to collect information and recommendations from faculty so that they can be presented to the Faculty Professional Development Committee. Our intention is not to compromise or denigrate the good work of the FPDC Committee but to expand the dialogue, in a non-confrontational way, for the betterment of all faculty. Please rank the issues below in order of their importance to you (with 1= most important), and write in others on the blank lines, if you have additional ideas.

	_ Increasing the FPDC budget by X% each year (X should be)
	Another structure, such as having each faculty member receive up to a certain
dollar amo	ount per year.
	Allow multiple Professional Development opportunities for faculty per year, on an overall cap and available funding.
